President's Message:

The rink is up and running. Thank you to all of those that helped set up and get the ice in. The "Ice In party" was a hit again and we all had fun. If you missed it come next year as there were some games for the adults to play too.

Tryouts are done and practices have started. If you know of someone that has not signed up yet, it is not too late. Registration forms are at Antigo Sportswear and The Rental Store.

The Blue Line Club had their first "steak dinner" fundraiser on Saturday. I have never seen the Clover Room look so nice. The high school players did a great job as servers and everyone enjoyed their meals. I am sure this will not be the last time Blue Line has this fund raiser as everyone enjoyed the food, conversation and watching the shoot out.

Tim Geiger and helpers have done a great job on the shooting room. Check it out, and let's keep it clean and damage free!!

Rod Madeson has some new updates on the Zamboni. If you are a driver and missed the meeting get a hold of Rod or Ernie Steger to watch the new CD.

Have a Great Thanksgiving & see you at the rink.

Becky McPhail, AAYHA President

Rink Clean-Up Schedule

Below are the rink clean-up assignments throughout the skating season. Each team is assigned a two-week period that they are responsible for. This is your chance to do something productive while waiting for your skater during or after practice, and earn work hours at the same time. Things that need to be done include cleaning locker rooms, emptying garbage cans, sweeping under bleachers and outside kitchen area, washing glass around the rink, and sweeping floors. (Brooms can be found in the hallway leading to the back locker rooms. Be sure to put them back after using!) **WE ALL NEED TO DO OUR PART TO KEEP OUR RINK LOOKING GREAT!**

Concession Schedule November 29th – January 4th

This year we are trying to accommodate everyone's hockey travel schedules when doing the concession schedule. We have looked at which teams families have skaters on and tried not to schedule them to work the concession stand when they are scheduled to be out of town.

There are bound to be game changes after the schedule has been made and there may be errors made **PLEASE BE PATIENT**, as we try to work the system out.

We will follow an alphabetical order, but then accommodate travel schedules.....some people will appear on the schedule twice before others appear once due to the out-of town schedules **WE WILL EVEN THE SHIFTS OUT**

The highlighted name on the shift is the person responsible for opening and/or closing.

If you are unable to work your assigned shift it is your responsibility to find a replacement and to let Kim Grabowsky know that you have made a switch.

Missed concession shifts are billed at \$20.00 per hour and your skaters are not allowed on the ice until the bill is paid.

New members to AAYHA do not appear on the first concession schedule at all. They will be added in on the next schedules, we will attempt to follow alphabetical order BUT we will not schedule more than one new person per shift.

If you have feedback about the schedule process please bring your comments to the next Board Meeting, as we are always looking for ways to improve the system.
