## Letter From the President

---

I hope everybody is back in the swing of things with school and Fall sports. Over the last three months our Board of Directors has been making minor changes to the AAYHA policies and procedures manual. There are many minor revisions, but the Summer and Winter work hour schedules have changed a bit. The new policy and procedure should be up on the website soon and now would be a good time for everyone to read them to become familiar with all the policies of our association. They can be found under the “downloads” heading on the home page. The tentative rink set-up is scheduled for October 17th and I hope everyone is excited for another season of Antigo Hockey.

Jason Jansen  
AAYA President
